Elena (who goes by Ella) would like to be adopted into a supportive family that will provide a stable and loving home.

Elena is a sweet girl who looks for the best in everyone. She has a big heart and is always making others laugh when they are around her.

She loves reading, crocheting, and arts & crafts, along with anything involving anime or SpongeBob.

Elena is very helpful at home and is learning new skills for independent living such as applying to college, looking for a job, saving money and cooking.

Elena is very smart and is interested in pursuing a degree in the medical field. Elena is very goal-oriented and is currently an honor roll student.
